MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Position for Flight Surgeon

REFERENCE : Your memorandum, dtd 30 Aug 68, Subject: Inspector General's Survey of the Office of Medical Services

1. This memorandum is submitted as a matter of record concerning OMS action on Recommendation 1 of the referent memorandum.

25X1A 2. As you know, [] is performing the duties of Flight Surgeon for the Agency although there is no such position for him -- he is actually carried in our Development Complement. We have, as you are also aware, described our need for additional funds to pay his FY 1969 salary whether or not a position is made available for him.

3. As you suggest in referent memorandum, we are prepared to draft a suitable Headquarters Notice announcing the designation of an Agency Flight Surgeon as soon as an appropriate slot is made available. Recent developments further substantiate the Inspector General's recommendation as to the value of a permanent capability.
